

Table 3-2. 100-KR-4 OU Remedial System Well Changes Planned for 2014

System	Well	Action	Purpose	Status at 31 Dec 2013
100-KX	199-K-208	Construct new extraction well	River protection/hydraulic control	In planning
	199-K-210	Construct new extraction well	River protection/hydraulic control	Ready to drill
	199-K-212	Construct new extraction well	River protection/hydraulic control	Ready to drill
	199-K-220	Construct new extraction well	Mass removal at source area - 183-KE	Ready to drill
Monitoring Wells	199-K-203	Construct new monitoring well	C-14 plume delineation - 105-KE	In planning
	199-K-204	Construct new monitoring well	C-14 plume delineation - 105-KW	In planning
	199-K-207	Construct new monitoring well	Tritium plume delineation - 118-K-1	In planning
	199-K-209	Construct new monitoring well	Cr(VI) plume delineation - 116-K-2	In planning
